## **Block F' Public Meeting**

The Manager of the University Endowment Lands will be sending our application for the rezoning of Block F to a 'Public Meeting' on **Tuesday May 31st at the UBC Golf Club**. There will be an **'open house' from 4:30 - 6:30pm** followed by a **formal meeting from 6:30 – 9:30pm**. The meetings are open to the general public and will be advertised to all residents of UEL and the surrounding community. This rezoning is being led by Musqueam Capital Corp. and its consultant team and we encourage all Musqueam members to attend this event and show your support.

The open house will allow the public to view the project 'story boards' along with the scaled model of the completed development and to talk with our team about all aspects of the project. The formal meeting is part of the 'statutory' or required process that allows the Minister of Community Sport and Culture to formally rezone property after considering the comments from the general public at this meeting.

We have been working towards the rezoning of these lands for several years and feel that we are now very close to finalizing this process. The development incorporates the Preservation and enhancement of open space, Sustainability, Community integration and respect, Housing diversity, Responsible development and Building a community heart. The success of this project will make a significant contribution towards the economic independence of Musqueam. At the same time, it preserves and enhances the natural environment, provides for community, a sense of place that reflects who we are as a nation.

We look forward to seeing you at this event.

**Your Musqueam Capital Corp. Team**
