LAND CODE

Musqueam Lands Survey: A Future Development Plan for Musqueam

“As stewards of our territory and caregivers for generations yet-to be born, we deeply understand the importance of planning wisely for our lands.” – Musqueam Land Use Plan

Musqueam is planning its future through the creation of a Future Development Plan. The purpose of the Future Development Plan is to develop a strategy for how Musqueam will use its reserve lands over the next 100 years. This is important due to Musqueam’s limited land base, the value of the land as a base to the Nation, and the potential to use the lands to help the Nation advance goals identified in the updated 2011 Comprehensive Sustainable Community Development Plan. These include:

- Housing a growing population
- Protecting the environment and the Nation’s cultural heritage
- Expanding services and amenities on reserve (health, recreation, etc.)
- Generating employment opportunities for members and revenue for the Nation

Considering the importance of this issue, Musqueam would like the Future Development Plan to represent how members feel the Nation’s reserve lands should be used.

We want to hear your voice. Please visit <http://fluidsurveys.com/s/musqueamFDP/> to complete a survey to inform the future development of Musqueam lands. Surveys can also be obtained from Kim Guerin at the Band Office.

The Future Development Plan and this survey focus on the lands in IR2, due to its size, location, and importance as the community core. Your feedback will directly inform the choices that Musqueam makes with regard to the use of these lands moving forward.

Please submit your survey online or return your completed survey to the Band Office by Mon, Aug. 1, 2016.

This survey is the first step in the feedback process – you will have additional opportunities to provide feedback over the course of the development of the Future Development Plan. Please contact me if you have any questions and require a paper copy of the survey. Kim A. Guerin, Coordinator, Musqueam Land Code 604-263-3261 local 3374 kim@musqueam.bc.ca

This is a great opportunity for a student interested in developing their skills in filmmaking and creating educational resources.

Where Are We in the World? is a film series that features sites around the Lower Mainland shaped by often ignored histories of struggle and agency. The focus of this initiative is to provide a strong foundation to answer the question of “where” the University of British Columbia is located.

The first two films explore Vancouver’s Chinatown and the Komagata Maru Incident of 1914. This summer, two new films will be created with a focus on Musqueam Legal Histories and Musqueam-UBC relations.

Staff and advisors from UBC Aboriginal Initiatives, Centre for Teaching, Learning and Technology, First Nations House of Learning, and St. John’s College will partner with Musqueam Treaty, Lands, and Resources Department, and Musqueam Language and Culture Department to oversee and advise the development of these films.

This is a part-time position from early June to the end of September.

Duties:

- Assist the director and producer with a variety of tasks, including equipment operation and interview set-up;
- Assist with coordinating and conducting interviews;
- Research supplementary materials in the Musqueam Archives and at UBC;
- Work with the project team to host events at Musqueam;
- Perform other related tasks as required.

Qualifications:

- To qualify applicants must be of Musqueam ancestry and be attending or eligible for post-secondary school as an undergraduate student;
- Have an interest in documentary filmmaking;

- Be willing to learn new skills;
- Willingness to learn interviewing skills;
- Have a flexible summer schedule;
- Ability to work as part of a team;
- Good time-management skills;
- Good organizational skills;
- Ability to communicate effectively in the workplace and community;
- Commitment to maintaining confidentiality.

The Musqueam Employment & Training department is planning to deliver a Health Care Aide Program in partnership with Langara College. See program summary below.

Program proposed:

a. Training Participants will receive:

The Health Care Aide for the Musqueam Indian Band Certificate Program will follow the Core Competencies Profile for Care Aides and the Health Care Assistant (HCA) Provincial Curriculum, 2008 (Health Care Assistant Program: Provincial Curriculum Guide, 2008, Province of British Columbia) Traditions of Musqueam healing will be threaded throughout the curriculum.

The program will include 475 hours of course theory and laboratory, as well as 270 hours of applied practice experiences, for a total of 745 HCA program hours. Graduates will be eligible to be included in the BC Care Aide Registry listing and recognized as Care Aides throughout the province.

b. Details on how and where services and training will be delivered:

Theory content will be delivered in a class room on the Musqueam land at 6735 Salish Drive, Vancouver, B.C. V6N 4C4. Laboratory components will be delivered in the Langara Nursing Laboratory at 100 West 49th Street in Vancouver. The Nursing Laboratory provides a state of the art nursing laboratory with 22 basic mannequins and 5 specialty mannequins. Clinical Practice will be provided in a public or private health care facility.

If our proposal is approved by the Ministry of Jobs, Tourism and Skills Training, we plan to recruit 12 participants for this program. If you are interested, please register by completing an application form with the Musqueam Employment & Training department at your earliest convenience.

Office Administration **Employment Training Program**

The Office Administration Employment Training Program prepares students for employment opportunities with government, industry, and Aboriginal organizations. Students become proficient at creating business documents using MS Word, Excel and Outlook; gain confidence in public speaking through delivering PowerPoint presentations; learn basic bookkeeping and QuickBooks; develop interpersonal relations skills and the essential skills to become adept at managing the roles and responsibilities of the office professional. They will compose and format business documents; organize information, tasks, files and meetings; and learn to become the office go to person for information, organization and planning. Students will also gain skills in networking, interviewing and working with employers in a four-week practicum.

The Musqueam Employment and Training Department plans to deliver an Office Administration Program at the Musqueam Community Centre in early January. If you are interested in taking this program, please register with Lindsay Gibson 604-269-3355.

Intro to Craftworker **(September 19 to December 9 2016)**

A Construction Craft Worker (Labourer) works mostly on construction sites in residential, institutional, commercial, and industrial settings, including pipelines, utilities, hydroelectric dams, roadways, bridges, tunnels, shipyards, mining and railways. Construction Craft Worker (Labourer) tasks include site preparation and cleanup, setting up and removing excess equipment, and assisting on concrete, masonry, steel, wood and pre-cast erection projects. They handle materials and equipment and perform demolition, excavation and compaction activities. They may also perform site safety and security checks.

This program will take place at Musqueam and be approximately 12 weeks long.

Construction Safety Officer Training

ACCESS Trades is offering CSO training at BCIT August 22nd to September 2nd 2016. Classes start at 7:30 am and end at 4:30 pm. Two weeks living allowance available for eligible applicants. We welcome applications from trades people, flaggers, labourers in all industries. Skills equivalent to grade 11 are required.

Students will be eligible for 500 living allowance for the two-week period. As this is an enhancement to existing skills, previous certification will not affect eligibility but must have a background in trades, flagging, or construction.

Please contact Lindsay or Terry for more information or to register.

Opportunity for Youth with Canadian Roots

Canadian Roots is expanding their Youth Reconciliation Initiative which was started as a pilot project in 2012. This initiative will involve young leaders (between the ages of 17 to 29) from different parts of Canada. We are looking to build a network of young leaders to work together leading reconciliation and education activities in their region. The deadline to apply is July 17 at 8pm EST.

This is a volunteer position (~15 hours per month) but CRE covers all expenses including travel and accommodations to attend a week long training with all leaders between August 27 and September 2. Youth who successfully complete the project also provided with a \$400 stipend for successfully completing the project.

Safe Drinking Water Monitor Program—*Charlene Campbell-Wood*

Discusses signs of when your body loses too much fluid through diarrhea, vomiting, sweating, or exercise. Covers dehydration in babies, small children, and older adults. Discusses prevention, when to see a doctor, emergencies, and rehydration steps.

Dehydration

It is so important to keep hydrated by drinking water and foods with lots of water.

Dehydration occurs when your body loses too much fluid. This can happen when you stop drinking water or lose large amounts of fluid through diarrhea, vomiting, sweating, or exercise. Not drinking enough fluids can cause muscle cramps. You may feel faint. Usually your body can reabsorb fluid from your blood and other body tissues. But by the time you become severely dehydrated, you no longer have enough fluid in your body to get blood to your organs, and you may go into shock, which is a life-threatening condition.

Dehydration can occur in anyone of any age, but it is most dangerous for babies, small children, and older adults.

Thank you to all who participated in the First round of Drumming Up Courage—Honouring One Another Cedar hat weaving.

This program is designed to help our community members learn traditional Cedar hat weaving, while sharing ideas about how we can work together to end violence in community and promote healing in our families.

The gala celebration took place in the evening on June 30th in the MIB Cultural Centre. At this gathering, we shared good food, songs and speeches about our love for family, learning our traditional art form and teachings, and lifting each other up as Musqueam People.

It was truly powerful and emotional to witness the six elders gift the first Cedar hat they've ever made to their grandchildren and great grandchildren. To be part of such a loving demonstration of Musqueam pride, art revitalization and healing was remarkable.

There are two more Honouring One Another cedar hat weaving sessions available this year: one will bring Musqueam ladies together to honour our men. The other will bring Musqueam men together to honour our women.

You must register and commit to attend all 8 sessions of the class, in order to participate.

Contact Corrina Sparrow in the office to register in advance.
