Residential School

A Poem by Nikki Point

Greeting(S) ladies and gents, you've made it
To our dysfunctional yet **breathtaking** estate
Do we have religion, you ask?
Why yes we do
But the one and only Christianity of course.
We try our very best to **flow** the new generation to be beneficial to our society
Teaching them our lord and saviour is their new father
We'll dissolve the children from their old family.
If they wish to be functional statues, they better adapt
Or we'll chop off their identity
Paint thoughts in their minds of how to think
Uniqueness shall be carved into ordinary
Gladly, we will take away their freedom of speech
Undressing them from their own name
Shifting them into the right direction
Leaving the children with only a few **strands** of their own morality.
So, welcome.
We truly hope, we remodel you into something
Normal

Words:

Greeting; birthday card

Breathtaking: back of a Little Mermaid VHS

Flow: driving test study guide

Shifting: The Glass Castle by Jeannette Walls

Strands: hair product bottle

15th Annual Musqueam/UBC Youth Soccer Tournament

Notice of Parking Restrictions

We would like to thank all community members for their continued support of the Annual MIB UBC Youth Soccer Tournament. This year will be the 15th Annual tournament and we are excited to once again play host to over 40 youth soccer teams for a fun and safe weekend of sport. This years tournament takes place Saturday May 19th – Sunday May 20th, 2018. We are thankful to once again host the tournament at the Musqueam Sports Fields. While hosting close to home has a number of benefits it does present an issue with parking. Over the past years we have had a **HIGH number of incidents** of residents driveways being blocked and a large number of lawns and gardens being ruined and littered with debris.

This year Safety and Security will be assisting us in implementing **VERY LIMITED PARKING AT THE FIELDS**. For this reason we ask that you utilize the shuttle service from the Band Office Parking Lot or walk to the fields. Please note Safety and Security staff will be blocking streets and restricting access to elders and handicap ONLY. Please help us to maintain a respectful and mutually beneficial relationship with our neighbours.

Shuttle will run daily from 8:00 to after the end of the last game.

Thank you for your cooperation and understanding

If you have any questions or concerns please contact Courtenay Gibson,

Let me share a bit about my experience

It was on May 6, 2010 when I was first diagnosed with diabetes. I woke up really dizzy, confused and felt like I was intoxicated, and I found myself struggling to find balance. I said to myself "This is not right and I don't feel right". I managed to get myself outside; I was feeling really out of sorts and really scared. I called for an ambulance. In no time they were at my house, I remember the fireman taking my vitals and asking questions. I can remember telling him, I need a drink of water, I am very thirsty. Then the ambulance attendants took over, they took my blood sugar level and it was at 46. They told me that I should have been in a diabetic coma at this level. I was admitted into the hospital for ten days. It was not easy to get this chronic disease in control.

Some days I look ok but, on the inside, I feel like hell.

My goal is to be in control and to tick one more thing off my bucket list.

This is my story and I hope this will inspire others to
understand my every day battle with this chronic illness.

From: Weeze Point

You are welcome to join me on the **"Walk for Diabetes"**

I have [committed to raising \\$500.00](#) and would love any or all support offered.

Summer Term position – 12 to 15 Weeks
(35 hours/week with some flexibility, including evenings and weekends)
Dependent on funding approval

HRSDC-CSJP Funded Position – Applicants must meet funding requires noted below

The Musqueam people have lived in our present location for thousands of years. Our traditional territory once occupied much of what is now Vancouver and surrounding areas. The name Musqueam relates back to the River Grass, the name of the grass is məθk'əy'. There is a story that has been passed on from generation to generation that explains how we became known as the x'wəθk'əy'am (Musqueam) - People of the River Grass. Although a metropolitan city has developed in the heart of Musqueam territory, our community maintains strong cultural and traditional beliefs. Today our population flourishes and we are a strong community of over thousand members. To learn more about Musqueam, please visit www.musqueam.bc.ca.

Are you passionate about your community? Do you want to be a part of planning our future? Want to know more about how big plans turn into action? Musqueam's Comprehensive Community Plan (CCP), nəcəmat tə šx'q'eləwən ct (we are of one heart and mind), was approved by Musqueam Chief and Council in 2011. The Community Plan, created with the input of hundreds of community members, provides leadership, administration, and membership with direction and guidance on how the community develops. We are just finishing the 2018 Update of our CCP, and this summer, we will be working to take the actions in the CCP and turn them into actions on the ground.

Musqueam Indian Band (Musqueam) is seeking a **Community Planning Intern**. This position is within the Intergovernmental Affairs division of the Musqueam Administration. Reporting to the Community Planner, with oversight from the Divisional Lead of Intergovernmental Affairs, the Community Planning Intern will be part of a team that will be working to implement our new 2018 CCP.

The position may be subject to funding approvals.

Key Responsibilities

This position will work with our Community Planning team who will provide training and support to learn new skills while assisting with the implementation of our new 2018 CCP. Duties include:

- Collaborate with the team to develop community engagement strategies
- Schedule, create materials for, and assist with meetings with staff and/or community members
- Learn how to use work plans/templates
- Collaborate in the creation of work plans
- Learn about costing and budgeting
- Collaborate with the team on cost estimates and/or program budgets

- Draft and distribute notices, posters, and documents
- Other related duties as required

Qualifications and Skills

- Post-secondary student interested in community planning and work planning
- Registered as a full-time student during the preceding academic year and intend to return to school on a full-time basis in the next academic year
- Comfortable interacting with administration staff and community members (youth, elders, adults, people with disabilities, different family groups, etc.)
- Respectful, open listener and accurate note-taking
- Good organizational skills
- Ability to use Microsoft Word and experience using social media
- Ability to work both independently and within a team environment
- Detailed oriented with high accuracy rate
- Proven ability to maintain confidentiality
- Flexible and able to work with the schedules of community members (i.e. some evenings and weekends)
- Knowledge of the Musqueam community and our CCP is a strong asset

Working Conditions

- Work is performed in an office environment and in the Musqueam community
- Work will be conducted from May to August

Safe Drinking Water Monitoring Program

Charlene Campbell-Wood

You never know when you are going to be in an emergency situation! Be prepared!

How much water should I have for an emergency and how should I store it safely?

- You should have at least four litres of water per person per day - for drinking, food preparation, personal hygiene and dishwashing. So for example, if you have three family members, you should have 12 litres a day for at least a three-day period, i.e. 36 litres of bottled water in a cool, dark place, in washed and disinfected plastic bottles that are easy to carry.
- Record the date that you bottled or stored the water on the label. Replace stored water every six months and store-bought bottled water every year.
- If you have pets or a service animal, don't forget to store approximately 30 millilitres of water per kilogram of the animal's weight per day. For example, an average cat or small dog would require at least 1/5 of a litre (or half a cup) of water per day.

Welcome to the First Nations and Inuit Hope for Wellness Help Line On-Line Chat Counselling Service

Call the toll-free Help Line at 1-855-242-3310, 24 hours a day, 7 days a week, or use the chat box below to connect with a counsellor on-line

The Hope for Wellness Help Line offers immediate mental health counselling and crisis intervention to all Indigenous peoples across Canada.

Experienced and culturally competent Help Line counsellors can help if you:

- * want to talk
- * are distressed
- * have strong emotional reactions
- * are triggered by painful memories

If asked, counsellors can also work with you to find other wellness supports that are available near you.

Phone and chat counselling is available in English and French. On request, phone counselling is also available in:

- * Cree
- * Ojibway
- * Inuktitut

In the coming months, FNIHB will update its existing products (posters and downloadable web content) to reflect the new service.

Please help us promote awareness for this new service by sharing the link and information with your communities, organizations, clients, networks, and partners.

HOUSEHOLD INGREDIENTS TO GET RID OF ANTS

Ants are some of the most peskiest insects and during the summer, they can become a big problem in your home. As the weather warms up, you'll be able to find ants around your food and in your garden wreaking havoc on your life.

Most people turn to Raid and other insecticides to get rid of ants, but we just discovered there's a simpler, less smelly way of getting rid of those pesky insects. Greg the Gardener, knows all too well how annoying ants can be during the summer.

So he advises to avoid calling pest control and turn to Borax, a household stain remover. We thought it sounded crazy too, but just watch as he demonstrates just how versatile the product really is!

Prepare some hot water, grab the honey and sugar, and get started! In a cup, pour in six teaspoons of your sugar and six teaspoons of Borax. Then, add the boiling water and mix it all together. Add honey once the sugar has dissolved — this will give ants all the reason to come have a little taste. Next, let your mixture cool and add it to a spray bottle. Greg recycles an old laundry spray bottle.

Finally, he shows us just how effective his concoction is when he sprays a trail of ants outside of his home. The ants digest the Borax and they immediately die off.

Looks like all it takes for your summer to be ant-free is a few household ingredients and just five minutes. I think we can handle that!

Introduction

The City of Vancouver's Public Art Program is seeking proposals from interested Musqueam artists for a two-dimensional crosswalk design commission in the Marpole neighbourhood.

As part of the Marpole Community Plan and planning for Vancouver South, interest was expressed by participants in integrating Musqueam culture, art and design into public realm improvements. To support this initiative, Vancouver City Council approved funding for a public art project to be developed in collaboration with Musqueam. The funding is part of a one-time public art boost approved by City Council in June 2016.

The Public Art Program is commissioning an original two-dimensional artwork from a Musqueam artist, with the intent of producing an artist-designed crosswalk at the pedestrian crossings on Granville Street, between 70th and 68th avenues.

This art commission celebrates the vibrancy of Musqueam artistic traditions and the community today by providing further recognition of Musqueam history and territory. This highly visible location is in proximity to *čəsnaʔəm*, Musqueam's ancient village and cemetery, as well as the Fraser River.

This commission will further enhance Musqueam's representation in the Marpole neighbourhood and join a suite of previously installed works in the vicinity by Musqueam artists Susan Point, Kelly Cannell and Thomas Cannell, Debra Sparrow, Robyn Sparrow, and Krista Point.

Information Session

An information session, with optional site visit to follow, will be held:
4:30 – 6:00 pm, Wednesday, May 9th,
Musqueam Community Centre cafe.

Scope of Work for the Commission

The result of this commission will be an original two-dimensional composition within the parameters of the pre-identified crosswalks. A design template to scale is supplied.

Artists interested in applying should note that there are technical limitations due to the nature of the product used, including the use of a limited palette of colours, and restrictions to the size of lines. Please see the attached document for the available colour palette. Only a preliminary sketch is required at application. After the artist is selected, preliminary designs will be developed into a final image and a vectored graphic to scale according to product specifications.

The value of the commission is \$5000, to include all fees and costs of supplying the production-ready design. The expected date of completion of final design is June 2018. Installation will follow in summer of 2018.

Due to regular traffic and wear, the crosswalk design is expected to last 2-5 years.

Project Goals

- To increase recognition of the ancestral territories of the Musqueam community within the area now known as Marpole;
- To bring a spirit and feeling of the Musqueam community to this area of Vancouver by reflecting Musqueam's art forms, history and contemporary culture;

- To support Musqueam artists in exploring public art opportunities.

Who Can Apply?

The opportunity is open to all Musqueam artists. We are not accepting applications from non-Musqueam artists. Emerging artists are encouraged to apply.

Anticipated Timeline

Deadline for Submissions: May 30, 2018

Panel Meeting: Week of June 4, 2018

Confirmation of Commission: June 8, 2018

Deadline for Completed design to all technical specifications: June 27, 2018

August installation.

Content of Proposal

Artists should submit proposed designs within the template provided. The template is available for download at <https://bit.ly/2l2d8jJ>; alternatively, hard copies can be picked up at the Musqueam band office.

The scale of the actual rectangular fields for the crosswalk design are approximately 3.6m wide by 20m long each plus a smaller section 2.7m wide by 6.75m long. Please see the template for configuration. Dimensions will be confirmed prior to the final design completion.

Submission requirements:

- Copies of original design sketches. Original artworks should not be submitted; no more than 2 sketches per artist will be accepted.
- An artist statement/written concept about the proposed work(s). The statement should be from 50 to 200 words, and should explain the artist's intentions and the significance of the proposed design(s).
- Examples of previous work (up to 5 images). Digital images should be no more than 2 mb each. Original artworks should not be submitted. Hard-copy photographs may be submitted at the band office; hard-copy submissions will not be returned to submitting artists.
- Artist's CV

How to Apply?

Digital submissions, as a single PDF document, are to be submitted to publicart@vancouver.ca prior to the deadline of noon on May 30.

If applicants are unable to produce a PDF, please drop off a hard copy application at the Musqueam Indian Band office, c/o Jason Woolman, for scanning and submission prior to the deadline. Note: vectorization or digital design services are not offered in the application stage.

Adjudication Process

A 4-person Selection Committee composed of two representatives from the Musqueam Indian Band, one art professional appointed by the City of Vancouver, and a representative of the Marpole Business Improvement Association will review all applications and make the final selection.

Factors considered in the selection process are:

- Relevance to the surrounding context and to Musqueam culture;
- Creativity and quality of the crosswalk design;
- How the proposed crosswalk design meets the Project Goals described above;
- Quality of past work

The Selection Committee reserves the right to reject any and/or all submissions and proposals, and to alter, extend, or postpone this call for proposals.

In order to be formally engaged to produce the crosswalk(s), the artist selected by the Selection Committee will enter into a legally binding agreement with Musqueam Indian Band and the City of Vancouver that sets out:

- The schedule for completion;
- Delivery and installation particulars;
- The compensation to be paid in exchange for the crosswalk designs(s);
- Copyright and licensing in the crosswalk design(s)

Seeking Musqueam artists, artisans and performers

Please help FortisBC celebrate National Indigenous Peoples Day by joining us for a craft fair celebrating Indigenous culture on Tuesday, June 19, 11 a.m. - 2 p.m.

We welcome all Musqueam artists wanting to sell, display or demonstrate their arts at our Surrey office 16705 Fraser Highway. We encourage you to bring any promotional material, including business cards and website information, to share with our employees. FortisBC will provide lunch and transportation between the Musqueam Administration Office and FortisBC.

Space is limited so we request that interested artists register by Wednesday, June 6th. For more information or to register to be a part of the craft fair, please call 778-578-8097 or email breannen.dick@fortisbc.com by June 6, 2018.

The Gallery Reopens June 8

**To celebrate the Bill Reid Gallery will be offering
FREE ADMISSION for the entire day!**

The Gallery has been reimagined by Merrick Architecture to provide a stunning new platform for Bill Reid's work as well as new galleries to better represent the diverse cultures of the Northwest Coast through belongings and other forms of material culture. The renovation also creates a beautiful new programming space for education programs, artists talks, lectures and hands-on workshops. In addition, the lobby and Gallery Shop have been reorganized to enhance visitor experience. See progress photos [further down](#) in this email.

**Body Language:
Reawakening Cultural Tattooing of the Northwest**

June 8, 2018 - January 13, 2019

Body Language is the first exhibition to fully explore the rich history and artistry of Indigenous tattooing, piercing and personal adornment on the Northwest Coast. Since ancient times, both men and women on the coast marked their clan crests and symbols of personal identity onto their skin. Tattoos were a celebration and recognition of special life events, potlatches and social rank. Lip, nose and ear piercing was also linked to rank and status.

The contemporary artists included in the exhibition are at the forefront of the revival of Indigenous tattooing in BC. They are reclaiming traditional techniques and traditional rights to be tattooed, and building awareness of the significance and protocols around the tattooing traditions.

RESTRICTED OPERATOR CERTIFICATE MARINE RADIO LICENSE [R O C]

Restricted Operator Course Maritime (Marine VHF radio... ROC-M) is required for all boats using DSC (Digital Selective Calling) VHF radios within 25 miles of shore. As long as you do not operate further out, or your vessel is licensed to go no more than 25 nautical Miles offshore, an ROC-M course (one day) course will usually suffice. The ROC-M certification does not expire, it's good for life! If your boat has a marine VHF radio, you are required to hold a marine radio certification (ROCM minimum).

DATE: June 5TH, 2018

TIME: 8:30AM – 4:30PM

LOCATION: Musqueam Gym Class room #2

MUSQUEAM NATIONS WARRIORS

would like to thank everyone that has supported them in their fundraising to travel to Lummi Nation to play in their tournament April 27-29, 2018.

We would also like to thank Charles W. Stewart Sr. for donating the Entry Fee to play in the tournament - \$275.00 US. Our team is very gracious for your support.

The Warriors lost their first game, won the next 2 games and lost their 4th game. The tournament was very different for our boys, but they played with all heart and soul and gave it a 100% and played as a team.

I am soo proud of our boys for all their efforts and commitment to the team.

Thank you,

John Sparrow

AWARENESS

Hello everyone,

My name is Sydney Peters, daughter of Marcia Peters and niece/daughter Paul Peters. As you all know my family has been deeply affected by cancer as it took our beloved Uncle Paul. Family has always meant the world to me and my own is so very dear to me and to think that millions of families has been through this at least once breaks my heart. So, I joined a event called “Work out to conquer cancer” with the BC Cancer foundation, thousands of us are working to fundraise for the foundation and my goal is to raise 300, but not limited to. Any amount of money counts! Thank you in advance!
